Wajah Baru PERURI: Inovasi untuk Kemajuan Berdaulat

# AUDIT EKSTERNAL/AKUNTAN PUBLIK

## External Audit/Public Accountant

Dalam menjalankan proses bisnis dan operasionalnya, PERURI diawasi oleh Badan Pemeriksa Keuangan dan Kantor Akuntan Publik. Pada tahun 2024, PERURI telah menunjuk Kantor Akuntan Publik (KAP) sebagai auditor eksternal untuk melakukan pengawasan independen terhadap aspek keuangan dan kepatuhan perusahaan. Penunjukan KAP yang memeriksa laporan keuangan PERURI untuk tahun buku 2024 dilakukan melalui RPB, dengan mempertimbangkan usulan dari Dewan Pengawas serta memperhatikan rekomendasi dari Komite Audit.

### Penunjukan Akuntan Publik

Pengadaan Jasa *General Audit* untuk PERURI Tahun Buku 2024 dilakukan dengan metode penunjukan langsung. Untuk memastikan independensi dan kualitas hasil pemeriksaan, KAP yang ditunjuk tidak memiliki benturan kepentingan dengan perusahaan.

Proses penunjukan KAP dilaksanakan sesuai dengan mekanisme pengadaan barang dan jasa yang berlaku. Selama lima tahun terakhir, dari 2019 hingga 2024, opini auditor eksternal yang diberikan adalah wajar tanpa pengecualian.

In carrying out its business and operations, Peruri is supervised by the Audit Board of the Republic of Indonesia and Public Accounting Firms. In 2024, Peruri appointed a Public Accounting Firm (KAP) as its external auditor to perform an independent review of the Company's financial and compliance aspects. The KAP that audits Peruri's financial statements for fiscal year 2024 was appointed through the Rapat Pembahasan Bersama (RPB), after considering proposals from the Supervisory Board and the Audit Committee's recommendations.

### Appointment of the Public Accountant

The procurement of General Audit services for Peruri's 2024 fiscal year was conducted by direct appointment. To guarantee independence and the quality of the audit, the appointed KAP has no conflicts of interest with the Company.

The KAP selection process followed the prevailing goods-and-services procurement procedures. Over the past five years, from 2019 through 2024, the external auditor has issued unqualified opinions (wajar tanpa pengecualian).

Secara rinci, informasi Akuntan Publik dan Kantor Akuntan Publik yang melakukan audit laporan keuangan tahunan PERURI 5 tahun terakhir:
